

USMCA 2023

Regarding your 2023 USMCA Compliance

The 2022 calendar year is quickly coming to a close and we would like to remind you that it is time to consider your USMCA certificate renewal for the upcoming year.

In order to take advantage of the duty free rates under USMCA, an importer must be in possession of a valid USMCA certificate of origin.

To make this transition into the New Year for your USMCA requirements, we recommend that you begin the steps of retrieving all certificates of origin from your suppliers with the blanket period completed for January 1, 2023 to December 31, 2023.

Frontier Supply Chain Solutions Inc. would be happy to assist your firm with your USMCA retrieval to ensure a seamless transition to the New Year.
