

LIST OF PRODUCTS FROM THE UNITED STATES SUBJECT TO 25% TARIFFS

Wednesday, March 5th, 2025

President Donald Trump has moved forward with a plan to put sweeping tariffs on all goods coming into the United States from Canada and Mexico.

These tariffs will specifically apply to products that originate from the U.S., meaning those that qualify to be marked as U.S. goods under the Determination of Country of Origin for the Purposes of Marking Goods (CUSMA Countries) Regulations.

The full list of affected products, categorized by tariff item in the link below, should be reviewed alongside the Schedule to Canada's Customs Tariff.
